PRIORITYS:

FRAUD – Claw back money stolen from taxpayers and enhance oversight.
Common sense values and budget priorities.

JOBS – I have worked in economic development with the University/Bremer Bank Foundation and we need to keep high paying jobs here and attract more.

TAX CUT – Reduce state spending and waste. Common sense spending.

FARM/BUSINESS – As a farmer and business consultant I know what it will take to protect our farms and small businesses and enhance profitability.

PROTECT LIFE – Protect the unborn, special needs folks like my daughter and the elderly that need our help and care as they are vulnerable. All life is precious.

LAW AND ORDER – Support law enforcement and veterans and reduce crime/anarchy. I have employed several veterans.

EDUCATION – I have taught High School, University and Community College and we need to help our students to prepare for the jobs of tomorrow.

HEALTHCARE – Affordable and accessible. We are a healthcare hub in SEMN.

DEI – Cut discriminatory Diversity, Equity and Inclusion practices. Merit only.
